EU front-of-pack nutritional labelling: voluntary or mandatory? (part 1)

EU-wide labelling scheme decision pushed forward to 2023 (October 28, 2022)

“Without accurate and reliable information, there is no choice.”

EU-wide labelling scheme decision pushed forward to 2023 as Commission admits “complex” situation; the European Commission is expected to be delaying its food labelling plans and is unlikely to recommend one existing label.
